#### IMPORTANT NOTE ON THE PRICELIST

We only quote NET prices, so THIS PRICE LIST IS NET, VAT or SALES TAX EXCLUDED.

Another important notice: Don't find your color in our color swatch, no problem! We do custom colors at a small extra cost. This cost is not per item, but per color!

Changing orders: Please note that changes of size and quality are only possible after approval of our internal sales office. These changes may lead to extra costs.

Tolerances: We want to inform that all our qualities are subject to tolerances (weight, height, structure, color, ...).

Technical details: All technical details can be provided on demand, or you can find them in the product catalogue or on our website.

Payment: 50% with order confirmation (Production will not be initialized before this payment is received).  
50% before shipment (Goods will not be released before this payment).

## FURNITURE COLLECTION

Our furniture collection is thoughtfully designed to meet the needs of trampoline parks as well as modern sports and recreation centers. From modular lounge seating to practical shoe racks, lockers, and picnic tables, each piece combines functionality with contemporary design.

The irregularly shaped lounge chairs offer flexible placement – they can stand alone, form pairs, or be grouped into larger islands – while shoe racks and lockers provide smart storage solutions that keep spaces organized and user-friendly.

Available in a wide range of color combinations, our furniture can be tailored to match the character of any interior, creating a vibrant and welcoming environment for visitors.

# FINISHING SPECIFICATION

## AKRO TEX COATING

AKRO TEX features high performance artificial leather solutions for profesional furniture upholstery. The unique multilayer coating ensures durability and exceptional resistance to abrasion and UV rays. These products are a perfect solutions for the demanding public areas.

## AKRO COAT FINISHING

AKRO COAT provides high-performance coating solutions for metal surfaces. The advanced protective formula ensures long-lasting durability, easy cleaning, and superior resistance against scratches, rust, and stains. Perfectly designed for picnic tables, shoe racks, and other metal furniture, AKRO COAT guarantees a sleek finish and reliable protection.

## AKRO WOOD COATING

AKRO WOOD delivers premium protective coatings for wooden furniture surfaces. The durable finish is specially formulated for public-use environments, offering outstanding resistance to scratches, stains, and wear. Its protective layer ensures long-lasting color stability and easy maintenance, making it the ideal solution for lockers and other high-traffic wooden furniture.
